## How to Choice Honours and Core subjects for B. Sc. or BA Honours/Pass course

### B.Sc. Honours

#### Zoology Honours

Zoology Honours	
Generic Elective 1	Generic Elective 2
Botany	Chemistry

Students who are shortlisted in the Merit List for Zoology Honours Course, first have to login by their application id and password. Then they have to confirm their application by accepting Zoology as an Honours Subject and then they have to choice Botany and Chemistry as their generic electives from column 1 and column 2 respectively.

### BA Honours

Applicants who are shortlisted in the Merit List for BA Honours Course, first have to login by their application id and password. Then they have to confirm their application by accepting an honours subject according to their preference. After choosing the honours subject they will get two columns (each of which will contain 4 subjects other than the honours subject). Then they have to choice their first generic elective from column 1 and second generic elective (different from the first generic elective subject) from Column 2.

#### For Applicants of Bengali Honours:

Bengali Honours	
Generic Elective 1	Generic Elective 2
ENGLISH	ENGLISH
SOCIOLOGY	SOCIOLOGY
POLITICAL SCIENCE	POLITICAL SCIENCE
HISTORY	HISTORY

Suppose an applicant is selected in the merit list in Bengali Honours and thus after login he will choice BENGALI as honours subject and then he will choice first generic elective from column 1 (e.g english) and second generic elective from column 2 (e.g. History).

Same procedure will have to be followed in case of History, Sociology, Political science and English Honours applicants.

## BA GENERAL

Core Discipline 1	Core Discipline 2	Generic subject (Should be different from Core Disciplines)
BENGALI	BENGALI	BENGALI
ENGLISH	ENGLISH	ENGLISH
History	HISTORY	HISTORY
Sociology	SOCIOLOGY	SOCIOLOGY
Political Science	POLITICAL SCIENCE	POLITICAL SCIENCE

Applicants, who are shortlisted in the merit list of the BA pass course, first have to login by their application ID and password. They have to choice two subjects as core disciplines and one subject as generic subject (generic subject should be different from the two core desciplines). The students shall have to study the generic elective subject in 5<sup>th</sup> and 6<sup>th</sup> semester. Thus the students will choice their first core discipline from coloumn 1. Then they will choice second core discipline from coloumn 2 (different from the subject of first core discipline). After that they will choice their generic elective subject from coloumn 3 (different from subjects chosen in column 1 and column 2).

Thus if an applicant will choice Bengali as first Core discipline from column 1 and History as second Core discipline from column 2, then he can choice any one subject from Sociology/English/Political Science as generic discipline from column 3.
