NOTICE

We are happy to inform all concerned that after sailing through the COVID-19 pandemic the NSS unit of our college has scheduled to organize a **7 day's Special Camping Programme** on and from **21.03.2023 – 27.03.2019** at **Khudrun Free Primary School, Khudrun**. We aspire to make the villagers of 'Khudrun', our adopted village, conscious about the social and cultural aspects of the countryside along with the personality development of the student volunteers through community service. As part of the 'personality development programme' we have arranged a series of lectures to inculcate 'values' in them as well. Therefore, all the faculty members, non- teaching staffs and students are cordially invited to participate and make this event successful.
