DETAILED REPORT

- 1. Aims and Objectives of the Programme:** The Campus Cleaning Activity organized by the NSS unit of the college provides opportunities to all the volunteers to get involve with the cleanliness drive and spread awareness to the surrounding local communities about the significance of living in a pollution free clean environment.

The Clean Campus Activity held in Padimpur Free Primary School on 17.09.2022, engaged young children and the school community to gain knowledge on certain main issues like 1. ill effects of unhygienic living, 2. significance of daily cleanliness in our nearby surroundings, 3. to take initiatives to keep the school campus, village neighbourhood clean, and 4. making common people conscious about not littering public places and roads.

- 2. Proceedings of the Programme (Description):**

a) Name of the Programme: CAMPUS CLEANING ACTIVITY

b) Date: 17/09/2022

c) Time: 12 Noon onwards

d) Venue: Padimpur Free Primary School

e) Organizers of the Programme: NSS Unit of the college

- 3. Brief Summary of the Programme:** On 17/09/2022, the NSS Unit-1 volunteers of Government General Degree College Mangalkote actively conducted the cleanliness drive in the Padimpur Free Primary School campus. The main objective of the programme was to provide general awareness to students on how to maintain clean school campus. The activity started by explaining the students about the harmful effects of living in polluted areas as it can lead to various kinds of diseases and thus the need for clean campus. The volunteers enthusiastically placed bins throughout

the campus and encouraged young children in the class to use the bins to dispose any kind of dry and/or wet garbage so that the school environment remains clean and green. The volunteers with the participation of students used brooms to accumulate the waste materials at one place and then disposed them to the suitable bins. The necessity of regular garbage cleaning was also discussed thoroughly with the school authorities as it is their responsibility to see that children study within clean green campus.

4. Participants: Enthusiastic NSS volunteers of the college participated in the cleanliness mission under the leadership of the NSS Programme Officer, Mr. Aritra Rudra, Assistant Professor of History, Mr. Hirak Kumar Sinha Mahapatra, Assistant Professor of History and Mr. Molla Hafizur Rahaman, Assistant Professor in English among other teachers of the college. Young students of the Padimpur Free Primary School, school authorities, teachers and the inhabitants of the nearby local village also participated actively in the clean campus programme.

4. Result of the Programme: Students, teachers and local stakeholders participated actively in the cleanliness mission and ensured to help in their own way to keep their school campus, their household, their village and the surrounding places clean throughout the year by not littering and throwing garbage waste randomly in public places.

5. Conclusion: The Campus Cleaning programme of the NSS emphasizes the role of the youth in acquiring knowledge about the significance of living in clean environment. Through this extensive activity, the NSS Unit has gained great experiences about spreading awareness about ill effects of pollution and how it can be controlled and reduced if common people and the next younger generation comes together and joins hand in making our environment pollution-free zone which will eventually benefit the overall well-being of the people at large.

The NSS volunteers of GGDC, Mangalkote are committed to ensure the cleanliness of the schools in the adjoining areas. Here is a glimpse of a NSS volunteer disposing garbage at the Padimpur Free Primary School in Mangalkote on 17-9-22
