TIME: 11.00 AM ONWARDS

VENUE: KATWA MUNICIPALITY PREMISES

Dr. Pradipta Kumar Basu  
OFFICER IN CHARGE, W.B.S.  
Government General Degree College, Mangalkote  
Dr. Partha Sarathi Das, West Bengal- 711112

## **OBJECTIVES OF THE PROGRAMME**

The Campus Cleaning Activity organized by the NSS unit of the college provides opportunities to all the volunteers to get involve and support the cleanliness drive by hands-on cleaning activities as well as spreading awareness to the surrounding local communities about the significance of living in a pollution free clean environment.

The Clean Campus Activity organized by NSS Unit at Katwa Municipality on 09.05.2023 engaged the local people and people working in the Municipality office to gain knowledge on certain main issues such as 1. ill effects of unhygienic living 2. significance of cleanliness in our nearby living areas 3. to take initiatives to keep the surrounding campus, village neighborhood clean 4. making common people conscious about not littering public places and facilities.

## **PROCEEDINGS OF THE PROGRAMME**

On 09/05/2023, the NSS Unit1 volunteers of Government General Degree College Mangalkote actively conducted the cleanliness drive in the Katwa Municipality campus. The main objective of the programme was to provide general awareness to the local villagers and office staff on how to maintain clean campus. The activity started by explaining the local people and the municipality workers about the harmful effects of living in polluted areas as it can lead to various kinds of diseases and thus the need for cleaning the campus on a regular basis. The volunteers enthusiastically placed bins throughout the campus and encouraged everyone to use the bins to dispose any kind of dry and/or wet garbage so that the campus and public places remain clean and green. The volunteers participated by cleaning the campus with brooms to accumulate the waste materials at one place and then disposing them in suitable bins. The necessity of regular cleaning of drains and garbage was also discussed thoroughly with the office authorities as it is their responsibility to see that their own campus plus the local areas and villages are kept clean so that people can work and live in hygienic environment.

## **PARTICIPANTS**

Enthusiastic NSS volunteers of the college participated in the cleanliness programme under the leadership of the NSS Programme Officer, Mr. Aritra Rudra, Assistant Professor of History, Mr. Hirak Kumar Sinha Mahapatra, Assistant Professor of History, Mr. Molla Hafizur Rahaman, Assistant Professor in English among other teachers of the college. Municipality authorities, office staff and the inhabitants of the nearby local village also participated actively in the clean campus programme.

## **OUTCOME OF THE PROGRAMME**

Officials of the Katwa Municipality and other workers participated actively in the cleanliness mission and ensured to help in their own way to keep their municipality campus, their household, their village and the surrounding places clean throughout the year by not littering and throwing garbage waste randomly in public places. The Campus Cleaning programme of the NSS emphasizes the role of the youth in acquiring knowledge about the significance of living in clean environment. Through this extensive activity, the NSS Unit has gained great experiences about spreading awareness about ill effects of pollution and how it can be controlled and reduced if common people and the next generation comes together and joins hand in making our environment pollution-free zone which will eventually benefit the overall well-being of the people at large.
