Alumni Feedback Analysis Report
2021-2022

Introduction:

The Alumni Feedback Analysis Report is a comprehensive analysis aimed at capturing the experiences and perspectives of former students who have graduated from the college. This report is based on the feedback received from 16 alumni who have taken the time to reflect on the academic and personal development facilitated by their time at the institution. The primary objective of the report is to gain valuable insights into the effectiveness of our educational programmes, campus facilities, support services, and experience. By understanding the strengths and areas for improvement from the alumni's point of view, the institution can make informed decisions to enhance the quality of education and student life for current and future cohorts. The following analysis is based on the compilation of the feedback forms collected during 2021-2022 session.

Detailed Alumni Feedback Analysis

FIGURE 1:

TEACHING LEARNING PROCESS IS SATISFACTORY
- YES
- UNDECIDED
- NO

6%

94%

Conclusion:

The Alumni Feedback Report 2021-2022, informed by the reflections of 16 participants, provides a substantive analysis of the college. The insights gathered highlight both the strengths and areas for development within the institution and also field which can be improved, offering a balanced perspective on the educational journey it offers. The positive feedback underscores the dedication and competence of the faculty members, the relevance and rigor of the curriculum, and the supportive campus environment that fosters both academic and personal growth.

Recommendations:

1. Greater use of student-centric methods and ICT-enabled tools to make teaching-learning process more effective and satisfactory. Additionally, greater curriculum enrichment through seminars and workshops may help enhance learning outcomes.
2. Approachability of the college office could be increased and grievance redressal mechanism made more prompt and responsible.
3. Further upgradation of college library, laboratory and ICT- enabled facilities.
4. Improvement and regular maintenance of physical infrastructure and toilets to ensure overall cleanliness.
