**Alumni Feedback Analysis Report**  
**2022-2023**

**Introduction:**

The Alumni Feedback Report is a comprehensive analysis aimed at capturing the experiences and perspectives of former students who have graduated from the college. This report is based on the feedback received from 20 alumni who have taken the time to reflect on the academic and personal development facilitated by their time at the institution. The primary objective of the report is to gain valuable insights into the effectiveness of our educational programmes, campus facilities, support services, and experience. By understanding the strengths and areas for improvement from the alumni's point of view, the institution can make informed decisions to enhance the quality of education and student life for current and future cohorts. The following analysis is based on the compilation of the feedback forms collected during 2022-2023 session.

**Conclusion:** The Alumni Feedback Report 2022-2023, informed by the reflections of 20 participants, provides a multifaceted view of the college. The insights gathered highlight both the strengths and areas for development within our institution and areas of improvements, offering a balanced perspective on the educational journey it offers. The positive feedback underscores the dedication and competence of the faculty members, the relevance and rigor of the curriculum, and the supportive campus environment that fosters both academic and personal growth.

**Recommendations:**

1. Greater use of student centric methods and ICT enabled tools and facilities in curriculum delivery.
2. Improvement of sports and recreational facilities.
3. Further improvement of academic support facilities such as library and laboratories.
4. Improvement of physical infrastructure and toilets in particular.
5. Enhancement of available IT facilities.
