Dr. Partha Bhattacharya, West Bengal- 713132

OBJECTIVE OF THE SEMINAR:

The programme was designed to make the young generation aware about the growing volumes of waste, the reasons behind them, their environmental impacts and the need to recycle them.

SPEAKER:

Mr. Aritra Rudra, Assistant Professor, Department of History, GGDC, Mangalkote

PROCEEDINGS OF THE SEMINAR:

The speaker began by describing how the global waste crisis has reached unprecedented levels in today's rapidly evolving world, demanding urgent attention and innovative solutions. He continued by saying that the importance of waste recycling cannot be overstated, as it plays a pivotal role in mitigating environmental degradation, conserving resources, and fostering sustainable development. He, then, elaborated the latest advancements, emerging trends, and critical challenges in waste recycling, offering a comprehensive understanding of its significance and potential. His talk featured interdisciplinary discussions, bringing together experts, researchers, policymakers, industry professionals, and stakeholders from various sectors and their roles in waste management. He highlighted the technological innovations in waste sorting, processing, and recycling, the role of circular economy principles in waste management strategies, policy frameworks and regulatory measures to promote recycling practices, and socio-economic implications of sustainable waste management. He stressed on pressing issues such as plastic pollution, electronic waste management, and the challenges of recycling in urban environments. In his concluding remark he elaborated on actionable strategies that can pave the way for a cleaner, greener future for generations to come.
