World Environment Day Celebration 2025

This is to inform all students and faculty members that the **NSS Unit-I** in association with **Internal Quality Assurance Cell (IQAC)** and the **Environmental Awareness Committee** of our college, in collaboration with the **Start Up Foundation**, will be organising a programme to observe World Environment Day 2025 on **4th June 2025 from 1:00 PM onwards** [vide notice no. The event aims to raise awareness about this year's global theme, **"Ending Plastic Pollution"**, which calls for urgent, collective efforts to reduce plastic waste and adopt sustainable practices, as declared by the host country, the Republic of Korea.

The celebration will feature a series of activities, including a **quiz contest and a poster competition** based on the 2025 theme. Students interested in participating in the poster competition are requested to register in advance using the following link: <https://forms.gle/sYNTelzLSNe4Ai8H6>
